Disclaimer: With the judgement of 12 May 1998 the Landgericht [Regional Court] Hamburg of the Federal Republic of Germany decided that if one provides a link one may if applicable be partly responsible for the contents of the linked page under criminal law. This can – according to the Landgericht – only be prevented by disclaiming these contents. We hereby do this as a purely precautionary measure. As we have also set links from our website to other sites in the Internet, we expressly emphasise that we have no influence whatsoever on the layout and the contents of the linked sites and the contents and presentations do not necessarily represent our personal opinion. We hereby disassociate ourselves as a precautionary measure from the contents of all links provided on our website (incl. possible banners) and from all contents of these or further sites, to which these links lead.
