

Conference rooms and day offices

Our conference rooms can be used worldwide. They have modern facilities and multimedia workstations with state-of-the-art technology. It goes without speaking that they are equipped with overhead projector, whiteboard and flipchart.

Your benefits:

- Modern communication technology available for use
- Beamer for presentations optional
- Can be booked at short notice
- Analog, ISDN and 2.3 MBit SDSL connections
- Reception and entertainment service

Do you need further support for your conferences and meetings?
Secretaries and interpreter service are available immediately.
